Canonisation of Blessed Teresa of Calcutta:

This Sunday Pope Francis officially declares Teresa of Calcutta a saint. We pray, through her intercession, for the poor of the world. We pray too for those experiencing moments of doubt in their faith because of the challenges of life. Mother Teresa had such experiences in her own journey of faith in face of suffering and pain of so many of the people in Calcutta. We pray that in such moments of doubt we, like her, may persevere in faith until we encounter anew the grace of God.

What we are doing is just a drop in the ocean. But if that drop was not in the ocean, I think the ocean would be less because of that missing drop. I do not agree with the big way of doing things.
