St Francis of Assisi, Feast Day 4th October:

Prayer for Peace:

Lord, make me an instrument of your peace. Where there is hatred, let me sow love. Where there is injury, pardon. Where there is doubt, faith. Where there is despair, hope. Where there is darkness, light. Where there is sadness, joy. O Divine Master, grant that I may not so much seek to be consoled, as to console; to be understood, as to understand; to be loved, as to love. For it is in giving that we receive. It is in pardoning that we are pardoned, and it is in dying that we are born to Eternal Life. Amen.

St. Francis Quotations:

Start by doing what's necessary; then do what's possible; and suddenly you are doing the impossible.

No one is to be called an enemy, all are your benefactors, and no one does you harm. You have no enemy except yourselves.

We should never desire to be over others. Instead, we ought to be servants who are submissive to every human being for God's sake.

Above all the grace and the gifts that Christ gives to his beloved is that of overcoming self.
