The Mission Sunday Collection is today, Sunday 23rd October and the offertory collection will be taken up at all Masses in aid of the Missionary Work of the Church. Mission Sunday gives parishes an opportunity to celebrate the work of spreading the Gospel and serving the needy throughout the world. The occasion highlights the work Irish religious and lay missionaries in Africa, Asia and Latin America. Last year in 2015, Irish Catholics contributed more than €1.7 million on Mission Sunday This includes a contribution of €99,700 from the Diocese of Meath). The Mission Sunday collection is made available to be distributed to as many as 1,100 young Churches who are supported by the generosity of Churches that have been blessed with a greater quantity of financial and material gifts. Our Mission Sunday figures for October 2015 are available to view in the Mission Sunday magazine.

Continued on Page 2.

Contributions will be used to build simple mission churches, to educate seminarians as well as female religious novices. Your support also assists in the formation of catechists and lay leaders. The Mission Sunday gift may also be used for building health facilities for children and adults as well as for providing emergency aid in times of war or natural disaster or to assist missionaries in their efforts to care for refugees. On Mission Sunday, in a special way, we celebrate the work of circa 1,300 Irish born missionaries and all missionaries throughout the world. We thank God for them, for all who support them in our own country and during mission month we unite ourselves in prayer with them and with the communities with whom they work.

Altar Servers: We invite all altar servers to collect an annual rota in the sacristy after Masses. All servers have been organised into different groups, which have been given a saint's name. In future, the weekly group will be identified by these new names.
